

About this service and bakerbus

At last we have been able to offer an easy access low floor bus dedicated to this service and a special new name - **77 sunset strip**. Some people will remember the much acclaimed American television series from the 1960s but most will be familiar with this very British bingo call !

Our latest timetable contains one small improvement. The 16.10hrs journey from Hanley to Mow Cop Bank will continue to Congleton each day. Otherwise all the other times remain unchanged. Most of this service is operated by bakerbus on a commercial basis without subsidy but some support for certain journeys is also provided by Cheshire and Staffordshire County Councils and Stoke-on-Trent City Council.

bakerbus is a division of Bakers Coaches of Biddulph, a family business first established in 1936, with a reputation for quality service. **77 sunset strip** is part of our growing network of regular local bus services in Staffordshire and Cheshire: Biddulph - Smallthorne - Hanley (**Nines**), Biddulph - Congleton - Macclesfield (services 99/99A/99B), Westlands - Newcastle (services 33/33A), Hanley - Stone - Stafford (service X1), Biddulph - Tunstall - Newcastle (services 94/94A), Hanley - Eccleshall - Newport (service 350) and Mow Cop - Biddulph - Leek (services 423/424) and Macclesfield - Poynton - Stockport (**The Shuttle**).

Twenty four hour clock

All our bus timetables are presented in twenty four hour format, in common with most travel and transport operators, and which avoids confusion between morning and afternoon journeys. We hope you will find the clock face shown helpful.
